

ADH30-2: Pesos Fundeiros

Stone house to renovate. Land with vines, fruit and olive trees.

The house has very good thick stone walls and good roof timbers but is in need of renovation. Builders can be recommended, and quotes provided for any work required.

The house has a 92m² footprint, this cannot be increased due to the property being in an ecological reserve. Upstairs the house is divided into a living room, 2 small bedrooms and a room that could be turned into bathroom. Below are 3 store rooms and attached to one side of the house is another stone building with part of a wall down.

Mains electricity and water are on the property, they just need to be reconnected.

The land is 445m² split into 2 terraces with vines and some olive and fruit trees. From the garden there are great views of the surrounding countryside and the Cabril lake.

This property is situated down a quiet lane on the outskirts of the village Pesos Fundeiros 3km from Pedrógão Grande. This property is totally rural but not isolated and there are other houses close by.

Price: 30,000 euros
