

ANB25: Ladeira

5 hectares with building permission

A lovely piece of land with fantastic views as far as the eye can see, including into Spain. It has a few cork trees and electricity nearby.

There is planning permission for a habitation of up to 400m². Great location for an eco home.

50,000m² (5 hectares) of land. Ideal for equestrian purposes, eco-living, and self sufficiency.

This property is composed of two plots, therefore could be divided and half sold off if so desired.

Near to the village of Aldeia João Pires, which is about 8km from Penamacor, situated in the beautiful Beira Baixa region, not far from Monsanto, Portugal's 'Aldeia mais Portuguesa' (most Portuguese Village).

Price: 25,000 euros
