

HEL150: Hotel House

Former hotel with 10 bedrooms and garden

This house used to be a small hotel, coffee shop and restaurant.

10 bedrooms with 4 private suites, a big kitchen with fireplace and a small elevator that used to bring the food to other floors, dining room, sitting room, bathroom, and attic.

The property needs some renovation work but is basically habitable.

It would be possible to re-open as a hotel, restaurant, café, etc.

Rear garden with stores.

Situated in the spa town of Luso near the national forest of Buçaco. All amenities are close by, including train station.

Price: 150,000 euros
