

KEV159: Casa Regina

4 bedroom house with studio, garden and outbuildings

A spacious detached property located in a quiet village approximately 5km east of Espinhal in the heart of Portugal.

The house currently has 4 bedrooms and a further large bedroom has been converted into a small studio.

Ground floor - hallway, lounge, large kitchen/diner, bathroom, laundry, pantry.

First floor - Master bedroom with en-suite, two further bedrooms, bathroom, studio, staircase to loft, terrace, hallway.

There is access to the first floor terrace by means of a stone staircase to the front elevation.

The property has central heating and double glazing.

This large Casa would make an ideal family home with the added extra of providing rental income from the studio.

The property comes with approx 1,100m² of land, has numerous outbuildings (adega, boiler room, bathroom, storage areas), and has ample off-road parking.

Price: 159,000 euros
