

# PIP40: Lovely Quinta (1)

**Price Reduced**

Stone building for renovation/conversion on 2 hectares

This quinta is located in a very quiet and private place and it's surrounded by the most wonderful views.

The property has one granite solid building with 2 big storages. Beside the house there is an oven where the bread was baked years ago.

Here you can find peace. However, it is not too far from the next village or from the city where you can find all the public services, cafés, markets, etc.

10,000m<sup>2</sup> (1 hectare) agricultural land, almost completely bordered by low granite walls.

There is one stone well with plenty of water and a tank.

The access is by way of a dirt track.

Located near Fornos de Algodres, about 1km from a small village, and about 3km from the highway (A25).

Electricity: 500m

Water: water is supplied by the well.

**Price: 30,000 euros**
