

PTD71: Casa Verde

Two adjoining houses for renovation with garden

Two adjoining houses made of local stone with 40cm thick walls. Situated in a quiet location with fantastic views.

One house is in basically habitable condition but does need modernisation. It has good walls, roof and floors, a small bathroom, a kitchen, 3-4 bedrooms and a living room. There's also a veranda, a store that you can close, and another big room (could be a living room or bedroom).

Between the houses there's a courtyard/patio.

The second house is old and has the same rock construction. It has 3 bedrooms, a big living room, a kitchen, and 2 big stores. This house needs complete renovation.

The houses have electricity, water, and telephone.

There's space to put a swimming pool in a fantastic place with this beautiful and pure landscape.

10 minutes from Miranda do Corvo.

Price: 71,000 euros
