

SAF6: Eco Plot

Cheap little plot (just over 1/4 acre) for yurt or tipi living or as a temporary/permanent park-up for a camper van.

The plot is on the edge of a small village about 5 minutes drive from Vila Nova de Poiares which has everything you need for day-to-day living. Also within easy reach are Lousa and Miranda do Corvo (both with train stations) and the city of Coimbra.

It has a flat cultivated area of roughly 1,000m² (0.25 acre) and a small wooded area of about 400m², a small stream separates the two pieces.

Fertile land for organic fruit and vegetable production.

Water is on site and comes from a well with a pump. Ideal sunny spot for solar electricity.

Price: 6,000 euros
