The small house has a living room, a bedroom, and a bathroom - but can easily be expanded into something amazing.

23,550m² (2.35 hectares) of land.

One of the big advantages of this property, besides the views and the sunset, is the fact that it is totally private, yet UNESCO's World Heritage City of Tomar is just 10 minutes away.

The region's highways are all easily reached in a few minutes (IC3, IC9 and A23).

All utilities, facilities and amenities are available in the area.
