

VG260-1: Lakeside (291)

2 lakeside houses, one restored and one for renovation

Two lakeside houses: 3 bedroom restored house and two storey house for renovation.

The main house was restored in 2003. The ground floor has a kitchen and large lounge. The 3 bedrooms are all located upstairs (one is en-suite).

Next to the main house is a pretty two-storey cottage that needs renovation - ideal for a guest house.

Stunning views to the lake and amazing sunsets.

This is a unique property due to the fact that it touches the shores of the Castelo do Bode Lake (Rio Zêzere), allowing you to have your one legalised boat platform.

All facilities and amenities are available nearby.

Price: 260,000 euros
