

## VG35-3: Pelmá (097)

Ruin on 4,000m<sup>2</sup>

Good sized ruin in need of reconstruction.

There is electricity by the house. Mains water is close (100m). Has well with plenty of water.

Has plot of land of approx. 4,000m<sup>2</sup> (1 acre).

If you always dreamed about reconstructing a ruin, maybe this might be a good opportunity! Or construct your dream eco home on this plot.

This area is green, sunny and tranquil. The town of Ferreira do Zêzere is 15km away and Alvaiázere is only at 8km trip. In both of these towns you can access all the necessary public services for everyday life. The beautiful and historical city of Tomar is 20 minutes away from the property.

Price: 35,000 euros
