

VG399: Family Villa (269)

New 4 bedroom villa with large garden overlooking lake

Newly built and beautifully located family villa with four bedrooms (two of them are en-suite).

There's double glazing and pre-installation for central heating through the whole house.

The fireplace has an electrical wood-burner.

1,220m² (just over 0.25 acre) plot with enough space for a good size swimming pool and for the whole family to enjoy the sun.

Located in the small village of Pombeira, with great views to the lake (Rio Zêzere).

Price: 399,500 euros
