

VG50: Lagar Plot (107)

6.945 hectare plot of land overlooking lake

Plot of land with 69.450m² (6.945 hectares).

The plot of land is divided into 4 different rustic articles (these could be sold individually if the new owner desires).

The plot has pine trees, bush, and grazing for sheep. A beautiful hillside plot with small waterfall. Perfect for nature lovers.

It is not possible to build any type of construction in cement. However you could live in a caravan, yurt, etc. on the plot. It is also possible to purchase a neighbouring olive mill for renovation/conversion: VG43: Lagar (167).

The views of this plot are stunning and the location is excellent. It is close to the Vale da Ursa bridge which is the bridge between municipalities and districts, and also of the medieval village of Dornes.

Price: 50,000 euros
