

VG500: Manor House (130)

18th century manor house with garden

Beautiful XVIII century manor house (built in 1749) located in the Parish of Cernache do Bonjardim.

The house is divided in two floors, each of them with approx. 200m².

The ground floor has a wine cellar, four large rooms, hall, and storage area.

The first floor has four bedrooms, two bathrooms, kitchen, living and dining areas, and terrace.

The attic can also be converted into living area.

Mains water and electric are located in front of the property, as is the telephone.

1,600m² (approx. 1/3 acre) garden with a wide variety of fruit trees, plus a number of larger trees providing shade in the summer.

The property is not far from the pretty riverside village of Dornes, excellent for summer swimming, and is also close to the attractive market towns of Ferreira do Zêzere and Sertã. The World Heritage town of Tomar is approx. 35 minutes away. Lisbon airport is approx. 90 minutes away.

This is an opportunity to purchase a property with unique style. It is in an idyllic situation as you have your privacy but you are not isolated.

Price: 500,000 euros
