

KEV39: Plots in Penela

1,600m² building plots for 3-4 bed houses

Three large building plots sited to the west of the medieval town of Penela.

These exclusive plots have stunning views across the woodland valley to the south of the town and the rear of the castle.

Each plot has an area of 1,600m² with planning permission for the construction of a 3-4 bedroom detached dwelling.

Water, electric, and mains sewage services are already connected.

The town's library, cinema and indoor heated pool are a 2 minute walk down the hill into the town.

Penela has all the amenities at hand - banks, restaurants, a health centre, and much more.

Price: 39,000 euros per plot
