

## CPS32-2: Two Ancient Houses (271)

Old houses to completely restore on 0.75 acre land

Very old houses in stone (pedra) dating from 1862 for total recuperation.

The property will need to be reinforced and used only as a shell during the renovations, however, there is more than enough stone, lintels and traditional features to make this a worthwhile and stylish project.

The building itself is 200m<sup>2</sup>.

The property has a total area of 3,330m<sup>2</sup>, which includes 3,100m<sup>2</sup> of garden. The ample garden has olive trees, oak trees and pine trees.

Only 5 minutes from the popular, thriving town of Ansiao in Central Portugal.

**Price: 32,000 euros**
