

KEV240: Coimbra Building

Beautiful 2 storey building for renovation in historic Coimbra

2 storey building in need of renovation.

Contains a one bedroom apartment on the first floor.

The house has two projects regarding its renovation. The first would be to construct 2 x two-bedroom apartments or 6 x bed-sits for student accommodation.

There is also a third option which would be to create a spacious residence in the historic zone of this beautiful city.

Plans of the projects along with estimates for the renovation are available on request.

No garden.

Located between the university and the cathedral in the city of Coimbra.

Price: 240,000 euros
