

HEL50: Casas Carvalha

2 traditional houses for restoration and renovation.

Two houses situated in village location.

1) Traditional 2-storey house with living area on first floor and veranda along one side. Ground floor traditionally used for storage but could be converted for more living space.

2) Small house with traditional large open fireplace in kitchen.

Both houses are in need of full restoration and renovation.

Complete with a couple of annex outbuildings/sheds.

There is 1,0000m² of land that would make a good-sized garden.

A good renovation project ideal for future investment.

Price: 50,000 euros
