

KEV56: Casa Manuela

2 bedroom farmhouse with garden

Casa Manuela is a large detached farmhouse.

The property is being sold part furnished and has an external footprint of approx 180m².

The property is perfectly habitable in its present state but would benefit from some renovation and an internal bathroom as the only WC is outside.

The property contains:

Ground floor - Adega, 3 storage rooms and external WC.

First floor - 2 bedrooms, Internal stone staircase, Lounge, Hallway, Kitchen and four store rooms that could be converted into extra living space.

There is a garden of approx 550m².

There are wonderful forest and valley views to three elevations of the house.

The property is located on the edge of a small village just north of the town of Avelar.

The village café is a few minutes stroll down a cobbled lane. At the side of the café there is a communal BBQ area with seating and a children's play area.

Price: 56,000 euros
