

SMA45-2: Rabacal Plot

4 acre plot with permission to build 3 bed house

A charming plot of land extending to 16,000m² (4 acres) in a quiet but not isolated situation on the edge of a village.

Permission has been granted to build a 3 bedroom house, like you can see in the 3D drawings in the photo gallery, or other of similar build.

Permission to build an area of 250m².

Also permission to build a swimming pool.

Electricity is near the property - 10m away. With mains water to be connected from the village 200m away.

The plot of land is near the village of Rabaçal, which is just 4 minutes away, and only 9 minutes from the village Penela. Located between the market towns of Penela and Ansião in Central Portugal.

Please enquire to see actual architects plans.

Price: 45,000 euros
