

CPS45: Bungalow Renovation (4355)

Bungalow for renovation on 1,300m² of land

A stone built 3 bedroom bungalow. Whilst this property is in a reasonable condition it does require complete renovation.

The bungalow basically comprises of a sunroom, to the left of which is a bedroom, and to the right there are storage areas. It has 2 more bedrooms, 2 living areas, and a kitchen and small bathroom.

Beside the house there is an area with an exit to the outside where there is a staircase leading up to the attic. The attic runs the whole length of the house.

Mains electricity, water and telephone services are all at the property.

Attached to the house are various buildings which once would have been used to house animals and for storage.

The land has an area of approximately 1,300m² and contains olive and a variety of fruit trees.

Access to the site is good, the house being located in a quiet area in Alvaiazere, Central Portugal.

Price: 45,000 euros
