

CPS42: Detached House (406)

Detached house for modernising with 840m2 garden plot

A traditional stone built house set over two floors with ground floor and basement.

To the left upon entering the property is the traditional kitchen complete with large fireplace and to the right the bathroom. To the front of these rooms are the lounge and two bedrooms.

The basement is large with exposed wooden beams.

The garden is approx 840m2 and has a deep well full of water. The garden has various fruit and olive trees and the land is of very good quality, having been used for generations to grow vegetables.

The property is accessed by a small patio with tiled awning.

The house is found in a very quiet village and does not have direct neighbours.

Location: Maças Dona Maria, Alvaiazere.

Price: 42,500 euros
