

JAS17: Sarnadas de Rodao

Terraced house for complete renovation

2 storey traditional terraced house for complete renovation with a covered area of 74m². To the front there is a balcony overlooking the street.

The house has 2 bedrooms, lounge and kitchen, which all do need restoration though has been lived in previously.

Electricity has been connected, and as it's in a village all the other mains services should be readily available.

The house does not have too much land, just an area of 25m². Ideal for someone to renovate to a holiday home, somewhere that has low maintenance when you're not actually there.

Located in the village of Sarnadas de Rodao, which is near to the bustling town of Vila Velha de Rodao.

Located just 14km from the large town of Castelo Branco.

Price: 17,500 euros
