

FP2000: Casa da Ribeira

Modern house of 900m² on 11.5 acres near Porto

A modern architecturally designed house positioned within the beautiful mountain landscape of Valongo.

The house has a covered area of 900m² with wide open spaces and lots of natural light in all of the rooms and divisions.

It has all the facilities and comforts of modern living. Benefiting from air conditioning throughout the house, central heating, central vacuum system, electric blackout system, and two fireplaces.

It has 3 en-suite bedrooms (30m² each), 1 en-suite bedroom (50m²), 1 living room with fireplace (70m²), fully equipped kitchen (28m²), laundry room (14m²), and a games room (120m²).

Heated indoor swimming pool (10m x 5m), gymnasium, sauna, and garage to accommodate up to 6 cars.

45,000m² (4.5 hectares / 11.25 acres) of land, with large gardens and lawns surrounding the house. Part of the land has a small river running through it.

Although situated in the countryside in peaceful, quiet, and natural surroundings, it is located only 15 minutes from the city centre of Porto, and within easy reach of the airport.

Please enquire for further photographs of architectural details.

Price: 2,000,000 euros
