Granite stone ruin with outbuildings on 2ha

50m² granite stone ruin built on a large round granite rock.

In need of total renovation, but the walls are in excellent condition.

There are 2 additional buildings giving an extra 100m² of potential living space.

20,000m² (2 hectares) of fertile land with a variety of trees including 20 olive, 5 peach, 2 mature chestnut, a small pine woodland, and an enormous eucalyptus.

South facing in the countryside with good views.

Mains electricity nearby.

Situated 5km from Carregal do Sal and 9km from Santa Comba Dão.

Fabulous smallholding / self-sufficiency.

Price: 65,000 euros
