

MIG80-1: Two Houses

Two stone houses, one habitable and one for renovation

Two stone houses (one ready to live in, and the other one needs to be finished) in a beautiful place near Tondela.

The main house is a big old stone house and is habitable.

3 bedrooms, bathroom, kitchen dining room, and lots of space upstairs and downstairs that can be transformed in extra rooms.

The other house is not finished but has an approved project from the local council for renovation / rebuilding.

Price: 80,000 euros
